

## Girls Welding Camp

This summer, Davis Tech hosted 18 female students for a weeklong welding camp. They learned different welding processes and techniques, worked on individual projects and a group project for the local women's shelter and learned about the many possibilities for women in the welding industry.

This camp was made possible by a grant from the Utah Defense Manufacturing Community and the Utah Advanced Materials and Manufacturing Initiative. Thank you to Lincoln Electric, Utility Trailer, and ORE Design for their donations and support in making this camp successful.

## OPPORTUNITIES TO GIVE

### DONATE TO SCHOLARSHIPS

For many individuals, a Davis Tech education would not be possible without financial aid. Your donation is an investment in their future and our community.

### CONSIDER IN-KIND DONATIONS

In-kind equipment donations make effective, high quality education possible and affordable by ensuring current training with state-of-the-industry equipment.

### DONATE TO THE GENERAL FUND

Support program growth, capital needs, and student support services. Your gift will provide additional opportunities for students and faculty and will enhance our campus with the latest technology to meet industry and community needs.

To discuss how you can support our efforts, contact the Davis Technical College Foundation director at **801-593-2374** or [marcie.valdez@davistech.edu](mailto:marcie.valdez@davistech.edu).

# WE CHANGE LIVES

## Logan Brough Composite Materials Technology Program

### Dehmlow Family Scholarship

Logan is a scholarship recipient who began attending Davis Tech in high school. After graduating, he joined the composites program full-time. Logan plans to become an aerospace engineer, and feels his education from Davis Tech will not only be the perfect stepping stone to getting there, but will also help him have a well-rounded understanding of the entire industry, not just the engineering side of things.

*"Having experience as a technician will make me a more effective engineer— I want to be an expert in every part of what I do".*

(UTech High School & Utah Promise)

**249** Davis Technical College Tuition Waivers  
\$151,619  
(Davis County CARES included)

**791** total scholarships for  
**\$441,916**

## Marty Holmes Cybersecurity Dominion Energy Scholarship

Marty Holmes is 29 years old, married, with two kids. He originally graduated college from Weber State University with a Bachelor's in Criminal Justice and Spanish, though decided to switch career paths to Cybersecurity about two years ago. Having already gone through a traditional college experience, Marty was more interested in a practical, hands-on program. "This scholarship is going to ease my financial burden in unquantifiable ways. I'm extraordinarily grateful."

## DAVIS COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT FOR NURSE ASSISTANT SCHOLARSHIPS

In December 2020, as the country continued to recover from the COVID-19 pandemic, Davis Technical College received a \$40,000 Community Development Block Grant from Davis County to provide scholarships for students looking to become Certified Nurse Assistants.

These scholarship funds have been awarded to over 50 low or moderate-income students who may not otherwise have been able to afford this kind of training. Some are new to the health care field, while others are looking for additional training. These students have expressed their deep appreciation for this financial assistance.

### FOUNDATION REVENUES

Contributions	\$447,567
Fundraising Activities	\$81,518
Investment Income	\$64,381
<b>Total Revenues</b>	<b>\$593,466</b>

### FOUNDATION EXPENSES

Administrative Expenses	\$20,154
Fundraising Events	\$43,148
Donations to Davis Technical College	
<i>Scholarships Awarded</i>	\$165,589
<i>Equipment and Supplies</i>	\$92,315
<i>Clerical Support</i>	\$10,000
<i>Other Programs</i>	\$436,232
<b>Total Donations to Davis Technical College</b>	<b>\$704,136</b>
Other Expenses	\$637
<b>Total Expenses</b>	<b>\$768,075</b>
<b>Foundation Decrease in Net Position</b>	<b>\$(174,609)</b>

(Year ended June 30, 2021)

*\*Decrease in net position is due to expenses paid for the Allied Health Building from donations received in prior years*

Alyssa Johns is one of these students. A former Army combat medic, Alyssa has always believed in being of service to others. After raising her three children, this single mom decided it was time to go back to school. She enrolled in the Certified Nurse Assistant program at Davis Tech as a first step towards becoming a registered nurse. "I sincerely want to thank you for awarding me this scholarship! It has definitely lightened the weight on my shoulder. This scholarship has allowed me to complete something that seems impossible."

Davis Tech has many different scholarships available to students in addition to those provided through the Foundation. These scholarships are part of the overall financial assistance available to our students. They are allocated through legislation, state/federal grants, and government partnerships.

A special thanks to the many Davis Tech employees who give annually.

Thanks to Weber Fire District, Syracuse Fire Department and South Weber Fire Department for their generous donations of firefighter clothing, helmets, and gloves.
